*mf*

There was a time when the world was young and the un - i - corn ran free, And the

8

*f* *mp*

mag - ic Fu Bird winked her eye, and the gol - den dol - phins played with me, And

12 slower ♩ = 80

la - dy - bugs told their se - cret dreams with voic - es far and rit.

15

wee. But the child\* grew and for - got what he knew of the far and wee.

*p* *mf*

18

world when it was young, and the won - der fades from a jour - ney just be -

22

slower ♩ = 65

gun. Now the la - dy - bug sleeps and has noth - ing to say, and the just be - gun.

*mp*

\*chah-yuld

26

gol - den dol phins have all gone a-way to a place where their song is

29

sung. If we're still and we list to the child-heart with-in, Then the

32

won - der and mag - ic will come a - gain. We will sing ev-'ry song that be-'

35

slower ♩ = 45

fore was sung in a time when the world was young.
