In constant motion, time is a wheel

Ba ba ba bum ba ba bum bum bum

rolling us always, rolling us along

Tell me who wants

bum bum bum bum bum bum bum
to look back on their years won'dring where those years have,

bum bum bum bum bum

I hope never lose your sense of won
gone.

where they have gone.

bum bum bum bum

You get your fill to eat but always keep that hun
tance.

You get your fill to eat but always keep that hun
tance.

You get your fill to eat but always keep that hun
tance.

May you never take one single breath, for granted.
Livin' might mean takin' chances, but they're worth takin'.

God forbid love ever leave you empty-handed.
Livin' might be a mistake, but it's worth makin'.

I hope you still feel small when you stand beside the ocean.
Don't let some hell-bent heart leave you bitter.

When
When ever one door clos-es I hope one more o-pens.
When you come close to sell'in' out re-con-sid-er.

When ever one door clos-es I hope one more o-pens.
When you come close to sell'in' out re-con-sid-er.

When ever one door clos-es I hope one more o-pens.
When you come close to sell'in' out re-con-sid-er.

ev-er one door clos-es I hope one more o-pens.
you come close to sell'in' out re-con-sid-er.

Prom-ise me that you'll give faith a fight-ing chance.
Give the heav-ens a-bove more than just a pass-ing glance.

Prom-ise me that you'll give faith a fight-ing chance.
Give the heav-ens a-bove more than just a pass-ing glance.

Prom-ise me that you'll give faith a fight-ing chance.
Give the heav-ens a-bove more than just a pass-ing glance.

And when you get the choice to sit it out or dance.

And when you get the choice to sit it, sit it out or dance.

Bum bum bum bum.

I hope you dance.
